

Summer Assignment

Dear Parents,

As a Summer Assignment your child has received a list of high frequency words also known as sight words. These words are very important in the development of reading fluency. These words are memorized because of their unique spelling patterns. Please help your child make flashcards with these words and have them study them as much as possible over the summer. Your child can bring in their flashcards during the first week of school to receive a small prize. If you have any questions feel free to email me at mortuzar@cps.edu. I hope you have a safe and wonderful summer with your child!

Thank You.

Ms. Ortuzar
